OBJECTIVE

As a recent graduate experienced in UX/UI design and research, I specialize in creating user-friendly designs and data-driven solutions. With a strong understanding of graphic design fundamentals and a focus on digital accessibility, I strive to enhance the quality of user interactions. I am seeking an opportunity to apply my skills in a dynamic and forward-thinking company that values fresh insights and professional growth.

WORK EXPERIENCE

AI Trainer & Writing Specialist / Outlier

FEB 2024 - PRESENT

- Wrote, reviewed, and edited AI-generated content for safety, grammar, spelling, factual accuracy, and relevance, enhancing user interaction quality.
- Promoted from Contributor to Reviewer within 3 months.

Instructional Design Intern / Michigan State University

SEP 2022 - MAY 2023

- Designed consistent, stylized document templates using Microsoft Office and Adobe Suite for the College of Osteopathic Medicine.
- Developed accessible teaching materials and guides using Microsoft Office and D2L, ensuring full accessibility for users, professors, and students.

User Experience Intern / Elk Electronics

JUN 2022 - AUG 2022

- Designed a branding style guide in Figma for consistent future design standards.
- Created wireframes and mockups for a mobile application using Figma for stakeholder presentations.
- Developed a user-facing website using GoDaddy.
- Produced branded document and slide deck templates using Adobe InDesign and Photoshop.
